4. Transportation Section (Avtotransportny Otdel). Chief is Col. N. Kozyrev. This Section supplies all of Wismut with gasoline and with motor vehicle spare parts. There are between 30 and 50 Russians employed in this section. Kozyrev has been chief of this section since March 1952.

The following are other leading personnel in the Transportation Section:

Deputy to Kozyrev - (fnu) Tokayev

Chief Bookkeeper - (fnu) Redkorechev.

Chief of the Wismut Fuel Dumps (Grosstanklager) - (fnu) Tyutyunov, with an office in the Jagdschenkenstrasse 27. The locations of the four fuel dumps are:

- (a) Altendorf/Chemnitz
- (b) Schoenfeld-Kiesa/bei Annaberg
- (c) Johann-Georgenstadt
- (d) Falkenstein/Vogtland

Former Chief of the Fuel Dumps - (fnu) Zuyev

Chief of the Wismut Central Garage - (fnu) Davidov

Chief of the Automotive Supply Depot - (fnu) Begichev, who joined the Transportation Section at the end of 1952. His assistants are (fnu) Yankovoi and (fnu) Afanasev. The latter two occupied offices in the Jagdschenkenstrasse 27, while Begichev occupied an office in the depot itself, which is located in Altendorf/Chemnitz.

Two German buyers are employed by the Transport Section, namely Max Kaiser and Erich Korock.

Also in the Transport Section in the Jagdschenkenstrasse 27 is one room with four unidentified majors in it and another, called Vehicle Inspection Section, occupied by one major with several assistants.

5. Construction Section (Otdel Stroymaterialen), located in the Zwickauerstrasse 403 in the large building housing the Girobank. Chief of this section is Konstantin Romanko, who has held this position for a long time.

This section is a part of the Fourth Department of Wismut Headquarters.

SECRET

Deputy Chief of the section - (fnu) Zhiril [redacted]

6. Notes on the Fourth Department.

Chief of the Fourth Department is T. S. Batyshev, who arrived at Wismut Headquarters in September 1952. His predecessor was (fnu) Polvakov. [redacted]

25X1

Bookkeeping Section of the Fourth Department: chief is (fnu) Koltsov [redacted]

Other sections in the fourth department include the Auxiliary Materials Section, Electrical Equipment Section, Mechanical Equipment Section and Metals Section.

Miscellaneous Notes.

7. The following indications of contact between Wismut Headquarters and Berlin were observed: Once each quarter a letter was written in the Construction Section of Wismut Headquarters addressed to "Our House, Berlin" (Unser Haus, Berlin). This letter was typed in Russian and was signed by Romanko and then by Batyshev. The letter requested each time the release of certain amounts of paints required by Wismut Headquarters. No further details are known. Also, from time to time, Germans employed in the section concerned with supply of gasoline used to telephone "the Ministry" in Berlin-Weissensee.
8. Frau Ala Schmidt was for two years secretary to Batyshev until the summer of 1952 when she was transferred to the Transportation Section. She is still in the latter section with the title of Inspektor. [redacted]
9. Germans employed in the Construction Section include:  
Harry Kreller, German Chief of Section; Assistants to Kreller are Kurt Schulze, Max Rosenkranz and Wolfgang Hennig, all having the title of "Expedient". This section procures only paints, varnishes and furniture for Wismut.
10. The billets used by the Soviet employees of Wismut Headquarters are located mainly, but not entirely, inside the compound in Chemnitz 30.
11. The DHZ (Deutsche Handelszentrale) maintains two branches in Chemnitz-30; namely DHZ-Baustoffe, Filiale Wismut in Zwickauer 403, which is run by Frau (fnu) Schubert and one typist; and DHZ Holz, Filiale-Wismut, also in Wismut 403, the chief of which is (fnu) Richter. Richter has several assistants.
12. The Fourth Department also contains an Export Section located in Zwickauer-strasse 440. Only Soviet personnel are employed in this section.
13. The Wismut Headquarters Compound consists mainly of houses in the Rathaus-strasse, Ulmenstrasse, and possibly a few houses in the streets immediately adjacent to these streets.
14. Also located in the Jagdschenkenstrasse 27, on the ground floor, is the Headquarters Staff of Wismut Objekt 37. The actual Objekt is located across the street from this building.
15. It was rumored in mid-December 1952 that General-Director Bogatov was absent from Wismut Headquarters and that some unidentified deputy had taken charge.
16. The Wismut Central Garage is located across the street from Jagdschenken-strasse 27.
17. The Chief of the Personnel Section for Wismut personnel, Yemelyanov [redacted]
18. It is possible to obtain the Russian telephone net "chaika" by dialling the number 38118 from any public telephone in Chemnitz.
